## **Annual Motor Show revs back into Burford House this summer**

**Mark your calendars for Sunday, August 6th as the Burford House Motor Show is back for another exciting day filled with automotive entertainment for the whole family. With just a few days to go, the team at Burford House Garden Centre is already preparing to welcome hundreds of visitors who will get the chance to view a diverse range of classic, vintage and unique vehicles.**

The store, which is part of British Garden Centres, the largest family-run group, will open its doors to motor enthusiasts at 10 am. Once you're inside, you'll be treated to an exquisite collection of over 100 vehicles, which includes highly sought-after Vintage, Classic or Modern makes and brands that will rev any car fan's engine.

The motor show will take place at the Burford House Garden Centre, which is within the grounds of the beautiful 18th-century Burford House estate, set in seven acres of ornamental gardens situated on the banks of the River Teme. Visitors will be treated to an array of classic cars as well as some more modern models in a relaxed atmosphere with car owners and spectators alike enjoying the fun and the natural beauty of the house's grounds throughout the day.

The day will feature live music from the Teme Valley Band and entertainment for all ages including the Cool Moves Dance Troupe, bouncy castles and a tombola in aid of the Grace Kelly Childhood Trust (#BeMoreFrank).

Those who are in the mood for retail therapy can indulge in the world of plants and outdoor living in the garden centre or the craft and artisan stands in Burford House.

And there will, of course, be plenty of food and drinks available throughout the event with The Gardener's Retreat restaurant opening from 8.30 am – 3.30 pm for breakfast, lunch, cakes and tea whilst ice cream, snacks and cold drinks will be available throughout the day at the garden centre.

**Paul Benson, Manager at Burford House Garden Centre**, said: "This amazing event is back and better than ever before, offering both family entertainment and excitement for local classic car enthusiasts, as well as the clubs and owners who will be showcasing their vehicles. Additionally, the event showcases the diverse range of vintage and classic cars that make up this incredible industry, and most importantly, it raises money for the #BeMoreFrank
